

## Downton Cuckoo Fair

**30<sup>th</sup> April 2022**

### Health & Safety Assessment Checklist

This checklist is intended as an aide memoir for use by DCF Merchants as they prepare for the Fair. It is not intended to replace any Regulations, Legislation or Industry Standards that Merchants<sup>1</sup> must be aware of and comply to as part of their business.

It will also be used if the DCFC Officers perform an on-site inspection. Where evidence is requested (i.e. Public Liability Insurance, TENS), this must be provided with your booking and also available for inspection at all times whilst on the Fair site.

**It is your responsibility** to ensure that suitable and sufficient risk assessments are carried out to cover your operations and activities at our Fair. You are also required to consider the risk of fire within your stand / structure. Failure to comply with reasonable health and safety precautions may result in you being removed from the site.

**If you have any queries about Health and Safety then please contact our Safety Lead – [safety@cuckoofair.co.uk](mailto:safety@cuckoofair.co.uk)**
