**1 INTRODUCTION**

**1.1 Scope and Applicability**

This document details Supplemental Terms and Conditions, that it may be necessary to issue for a particular fair, these need to read with the main Terms and Conditions document, both documents collectively form the Terms and Conditions.

These apply to everyone who has a stall, provides entertainment or provides a service to the Downton Cuckoo Fair ie all contractors, stallholders, entertainers, produce market, fairground operators, caterers and other participants, hereafter referred to as ‘merchants’.

**2 SUPPLEMENTAL TERMS AND CONDITIONS**

**2.1 COVID Precautions – Note it is expected these will be updated before the Fair**

In 2023 it is expected that the impact of the COVID-19 pandemic will be lessening however the Cuckoo Fair is held in the middle of the village of Downton and results in a significant increase in the number of people present in the village, approximately increasing the population ten-fold. To mitigate this increase in people we require that our Merchants apply the following COVID mitigations as a minimum:

- All stalls to have hand sanitiser available (at least 60% alcohol).
- Strongly advise mask wearing
- Strongly Advise Lateral Flow Test prior to attending fair and only attend if it is negative.
- Ask anyone experiencing Covid symptoms to not attend the fair.
- Advise any stall offering samples (food & drink) to mandate hand sanitiser prior to trying.
- Advise any stall offering samples to utilise PPE (gloves) to dispose of any waste, ensuring waste is disposed of immediately.

- For those merchants with items/surfaces that are frequently touched or handled (eg counter-tops or fairground rides etc) it is strongly recommend that they are wiped down frequently to a defined rota of *cleaning*

If the Fair is cancelled due to the Government restrictions during the Pandemic a refund will be offered or the chance to roll the booking to 2023. However, no refund will be given if a Merchant decides to pull out because they did not adequately plan for their Stand to be able to run during the pandemic and potential social distancing or if they are closed during the Fair by Officers for failing to provide adequate control measures.

## 2.2 Memorial Gardens / Rural Crafts / Fairground area – NEW LAYOUT

Note we have a completely different layout for this entire area with new stall locations. It is very unlikely that you'll be positioned where you were before. Please see the outline map on our website <https://cuckoofair.co.uk/memorial-gardens>, check your confirmation letter for your allocated pitch and position yourself as directed by the Marshalls.

## 2.3 Pedlars

The Downton Cuckoo Fair recognises that some pedlars attend the Fair to sell their wares. In order to preserve the character of the Fair and compliance with the relevant regulations and statutes, starting in 2023 we will require that bona fide pedlars:

- 1 Have a valid pedlar's certificate and show it to whoever asks for it;
- 2 Move through the fair ie they must not be stationary in a fixed position and sell their wares from it;
- 3 If selling food they must be registered with Wiltshire Council Environmental health as food seller;
- 4 Sell goods that must meet UK product standards;
- 5 Provide a public liability insurance document;
- 6 Make a donation to the Fair
